ZOTEFOAMS™

## FEATURES

- Pro-level protection and sizing in a lightweight package with controlled pro-fly mobility
- Progressive flat-face construction with anatomical knee-flex area
- Thinner outside roll allows for larger flat-face surface area
- Clean-seam inner calf flaps for increased surface coverage in key high-wear zones
- Highest quality Zotefoams™ single-core construction
- Made in Canada

- Jambière légère offrant un niveau de protection et d'ajustement professionnel et incluant le système de mobilité PRO-FLY
- Face plane progressive avec zone de flexion du genou suivant l'anatomie du corps
- Construction mono-pièce en mousse ZOTEFOAM™ de la plus haute qualité
- Fabriqué au Canada

- Seamless knee cradle for optimum butterfly pad face turn
- Adjustable knee stack provides a stable landing surface
- Padded leg channel with adjustable stretch straps provides customizable stability

- One-piece flat inside glide support for gapless ice contact and stability

- Dual break zones for controlled flexion
- Plated copper buckles resist corrosion

- Double zones de flexion pour un meilleur contrôle

Full custom options and specs available at [mywarriorhockey.com](http://mywarriorhockey.com).

# MESSIAH CATCH GLOVE **NEW**

## FEATURES

- Pro-level protection and sizing with built-in quick break
  - Flared cuff box for puck deflection
  - Funnel thumb geometry guides puck into pocket area
  - Highest quality Zotefoams™ construction
  - Hinged break allows for maximum open surface
  - Dual break zones for controlled closure
  - Made in Canada
  - Full custom options and specs available at [mywarriorhockey.com](http://mywarriorhockey.com)
- Mitaine offrant un confort immédiat avec protection et ajustement de niveau professionnel
  - Construction en ZOTEFOAM™ de la plus haute qualité
  - Zone de flexion allouant une surface ouverte au maximum
  - Fabriqué au Canada
